

APRIL 29-MAY 2, 2015

TEACHING WITH SMALL BOATS ALLIANCE 2015 CONFERENCE

Hosted by Northwest Maritime Center

Join us for four days of panel discussions, hands-on workshops and plenty of sharing about how to best teach with small boats.

Sessions include:

- *Meeting Higher Grade Level Common Core Standards with Projects*
- *Great Boatbuilding Projects for Teaching*
- *Five Essential Elements of Quality Youth Programs*
- *Does My Program Really Count?- Assessment is Key to Program Sustainability*
- *Making a Maritime School District, and many, many more!*

If you do this type of work, or are interested in starting, this is the place to be!
