

Hewes & Company

CNC machining boat kits, marine trim, moulds, bulkheads and the St. Ayles skiff

Hewes & Co is the US manufacturer of the building kit for the St. Ayles skiff, and other small boat designs by Iain Oughtred, Francois Vivier, Doug Hylan, Ruud van Veelen, Walter Simmons, Paul Fisher, and Andrew Wolstenholme. We CNC machine bulkheads, cockpit moulds, half models, Corian, custom trim and marine cabinetry for commercial boatyards, as well as 3-D CAD drawing and design. Gardner Pickering has been building boats for 25 years and sails an Oughtred *Caledonia Yawl*.

Program Statistics (Annually): (If you have additional detail of interest, please add at bottom.)
