

Renbrook School

Renbrook Navy – a boatbuilding club

This club has built many small boats over the years, from Bevin’s Skiff to various CLC kits to full rescue and restoration of a lovely old canoe bound for the landfill.

The past two years were spent building a St. Ayles Skiff, registered by the SCRA as US07. The boat has become a great favorite of faculty and students and has started a very enthusiastic rowing program.

Program Statistics (Annually): (feel free to add more or alter statistics categories)
